

## July Birthdays

Rosie Cole Betsy  
Rhianne Georgie Zachary

We would like to welcome our new children and families who have joined us. We would also like to say a big good luck to the children that are leaving to start school. We hope that you enjoy your new adventure and make lots of new friends.

Our village story telling sessions will be continuing @29 over the summer for under 3's. This is a great stay and play opportunity for our families and their children from 10am-11am every Wednesday.

The Welly Wanders sessions will continue to take place on a Thursday morning over the summer holidays for our anti-preschools. We have also extended our sessions and block 1 will begin in August.

We are also looking forward to Castlemilk Carpenter's Workshop helping us to re-vamp our outdoor learning environment for the children to enjoy some new materials and recourses.

## Dates for your diary

Our nursery will be closed on  
Monday 16th July 2018.

## Social Media

We would like to invite our families, if not already done so to join our closed Facebook groups that are private to our Indigo families.

Our Early Years page entails recent and upcoming events, children's activities and interests and any important information regarding the nursery.

Fun Day @29 Friday 27th July

## 0-2 Room (1)

The children have been outside every day making the most of the sunshine where they have enjoyed water play, planting flowers, learning how to take care of their flowers and also eating lots of fruit and vegetables.

The children have been engaging in lots of action songs using Makaton and enjoyed getting messy in our cereal farmyards.

Watch out for our baking in the next few weeks!

## 0-2 Room (2)

The children have recently been enjoying the sunshine and taking part in lots of different activities; exploring our sensory coloured sand and in particular water play.

It would be grateful if you would be able to provide your child with a sunhat, spare clothes for water play and sun cream.

Due to limited space in the clock area, we would appreciate if possible, if parents could use purple bags provided instead of personal bags for child's belongings.

## 2-3 Room

This month the children have taken part in many outdoor activities such as exploring our natural area for bug hunts, climbing, football and mark making using chalk on the walls.

The children have enjoyed exploring water in many ways using different resources such as tubes, sprays, pipes etc.

We would appreciate it if you would be able to provide your child with spare clothes in their purple bag.

## 3-5 Room

We would just like to say a massive Well Done to all the children and staff for the fantastic job with the Pre-School Graduation!

The children have been taking part in a World cup sweep stake where each of them have choose a team which they are able to learn about.

We have also been enjoying local walks and a picnic to The Cathkin Braes exploring the wild and nature.

- Please ensure your child has appropriate clothing and sun cream for outdoor play e.g. sun hat.
- Please remember to sign your child in and out on the playroom register.
- Please ensure that your child's purple bag has nappies, wipes and spare clothes .
- Please ensure your child has soft shoes for the playroom
