

Prescribed Medication – Storage Procedure

All children's prescribed medication must be stored on the bottom shelf of the fridge.

If medication is not to be refrigerated it should be kept in the locked medicine cabinet within the playroom.

All prescribed medication bottles must be clean and non sticky.

Medications must be returned to parent / carer on a daily basis

Date Implemented: 27th June 2011

Date Reviewed: 27th June 2011
