

## **Trips and Outings Policy**

The Indigo Childcare Group recognises the need for trips and outings to be planned and supervised promoting safety at all times.

Plans for trips and outings are discussed in advance and parental consent is sought.

Children's safety is paramount when going on trips or outings; all amenities are appropriately risk assessed for suitability and safety.

If an accident occurs children are taken directly to the nearest A&E department for treatment. Parents/carers will be informed as soon as possible of their child's condition and circumstances of the accident.

Date Implemented: 28 June 2011

Date Reviewed: 28 June 2011
